

Christian Photo Gallery Application

- Selected artists will have the opportunity to display their photography for one (1) calendar month.
- Selected artists can display up to twenty (20) “wall-ready” photographs. All work must be ready to be hung by the first calendar day of the show.
- “Wall-Ready” = Framed prints, mounted canvas, or images which have a wire kit already affixed to the work so that the customer can enjoy the work as soon as they take it home.
- Selected artists can, during the run of the show, replace artwork that has been sold with the exact same print.
- Artwork cannot exceed 16”x20” unless approved by gallery curator.
- We encourage each artist to have a Gallery Opening the first Saturday of their show (during normal business hours) for friends/family to come and enjoy the work on display.
- Because we want this to be about the artist and their work, a gallery commission of 10% will be applied to all work sold, covering credit card transaction expenses and labor for maintaining the display during its run.
- Because we have many small children in our shop, we request no Artistic Nudes be displayed.
- All artwork must be picked up by artist within one (1) calendar week of show end date.
- Christian Photo is not responsible for lost, stolen, or damaged artwork.
- Christian Photo and its staff reserves the right to exclude any and all prints deemed “Not Appropriate”.
